Turning Dreads Into Dreams

(What's worth going through what you're going through?)

(SERIES: The Power To Prevail: 03 of 09)

by Dr. David Foster

What Dreams Do To You

"Hope deferred makes the heart sick; **but when dreams come true at last, there is life and joy**" (Prov 13:12)

Fire up your creative intelligence.

"Thank you for making me so wonderfully complex! It is amazing to think about. Your workmanship is marvelous--and how well I know it." (Psa 139:14)

Draw out your latent potential.

"You were there while I was being formed in utter seclusion! You saw me before I was born and scheduled each day of my life before I began to breathe. Every day was recorded in your book!" (Psa 139:15-16)

Lead you to discover your primary purpose.

"For when David had served God's purpose in his own generation, he fell asleep; he was buried with his fathers and his body decayed." (Acts 13:36)

"And David said, . . . Is there not a cause?" (1 Sam 17:29)

You want to be needed not necessary.

What Dreams Do For You

They give you a sense of destiny.

"As a prisoner for the Lord, then, I urge you to live a life **worthy of the calling** you have received." (Eph 4:1)

They give you a sense of direction.

"From that time on Jesus began to explain to his disciples that he must go to Jerusalem and suffer many things at the hands of the elders, chief priests and teachers of the law, and that he must be killed and on the third day be raised to life." (Mat 16:21)

They give you a sense of determination.

"Now it is required that those who have been given a trust must prove faithful." (1 Cor 4:2)
